

**IN THE SPECIFICATION:**

Please substitute on page 8, last paragraph starting at line 29, with the following replacement paragraph:

E<sup>1</sup>  
Figure 1: Restriction map of the vector pCBG1-TV and the amino acid sequences of the CBH1 secretion signal/mature  $\beta$ -glucosidase juncture SEQ. ID NO.: 1, SEQ. ID NO.: 2 (see Example 5).

Please substitute on page 9, first paragraph, starting at line 1, with the following replacement paragraph:

E<sup>2</sup>  
Figure 2: Restriction map of the vector pXBG1-TV and the amino acid sequence of the xylanase II secretion signal/mature  $\beta$ -glucosidase juncture SEQ. ID NO.: 3, SEQ. ID NO.: 4 (see Example 6).

Please substitute on page 9, second paragraph, starting at line 3, with the following replacement paragraph:

E<sup>3</sup>  
Figure 3: Restriction map of the vector pC/XBG(XbaI)-TV and the amino acid sequence of the xylanase II secretion signal/mature  $\beta$ -glucosidase juncture SEQ. ID NO.: 3, SEQ. ID NO.: 4 (see Example 7).

After page number 62 of the Specification, and starting on page 63, please insert the attached text of a Sequence Listing. Please renumber the pages of the Specification such that the first page of the Claims portion of the Specification bears the
